Authority	Saudi Food and Drug Authority (SFDA)
Appointed company(ies)	FAHES, and other companies appointed by Saudi Food and Drug Authority (SFDA)
Scope of the regulation	Conformity assessment of Food Products exported to Kingdom of Saudi Arabia
Assessment based on	<ul style="list-style-type: none">✓ Documentary review✓ Control testing✓ Inspection (Loading Supervision and Container Sealing)✓ Conclusion of the assessment
Minimum value subject to the program	All shipments values are subject
Registration at Customs	<ul style="list-style-type: none">✓ Both the Importer and the Exporter must be registered with SFDA.✓ The Food Product imported into KSA must be registered with SFDA and must have a Product Registration Number.
Program Food Consignment Certification Program - FCCP	<p>The objective of the program is to provide safe food products to consumers as well as fast and direct Customs clearance of imported food consignments at KSA Ports and Borders when presented with a CoC.</p> <p>All regulated food products should be accompanied by a Certificate of Conformity (CoC) issued by an entity authorized by SFDA to ensure conformity of them with the applicable SFDA technical regulations and standards.</p> <p>It is a mandatory requirement to obtain a CoC from an approved Certification Body (CB), for regulated food consignments from Mandated Countries of Supply. For other non-mandated Countries of Supply the CoC can be obtained from the approved CB on a voluntary basis. Obtaining a Certificate of Conformity (CoC) for the Food Product Consignments prior to exporting to KSA, is highly recommended to clear the shipment at KSA Ports and Borders. Exporters will benefit from a fast-track clearance from KSA Customs and thereby expediting the placement of the food products in the KSA marketplace.</p>
